

<http://www.epa.gov/iris/subst/0106.htm>

This is the current EPA tox information for PCE. It does not compare older numbers with newer.

<https://fortress.wa.gov/ecy/clarc/FocusSheets/CLARC%20guidance%20TCE%20PCE.pdf>

This document starts out with TCE, so skip through those pages until you get to PCE. There is a comparison there of older EPA tox values with the current ones.
